

2021 MEMBERSHIP INFORMATION

Thank you for your interest in membership opportunities at the Osoyoos Golf Club. We are dedicated to providing our members and guests with an exceptional total quality experience at a reasonable cost.

Established in 1973, the Osoyoos Golf Club is perched above the Town of Osoyoos and sculpted into the desert mountainside, providing a unique golf experience in a truly stunning golf destination, surrounded by vineyards and orchards and on Canada's warmest lake. The course was built with a keen eye on the environmental protection of the unique antelope brush eco system and the Club established a desert sanctuary area to protect and preserve the habitat for the future. A state of the art irrigation system maintains the lush playing conditions throughout the heat of the summer.

Along with the ability to play two distinct courses at one destination with a 9-month playing season, members enjoy many benefits, including preferred tee times, a range and practice facilities, access to the Members Lounge, as well as entry to exclusive member only golf and social events. Members can also take advantage of preferred discounts on merchandise in our Pro Shop and delight in remarkable dining experiences at our Greenside Bar & Grill.

With a one-time initiation fee, the Osoyoos Golf Club offers membership options to suit the entire family, including unlimited Golf & Cart memberships, playing packages, bag storage and locker rooms. Our friendly staff and challenging courses ensure our members will enjoy bringing guests out for a round of golf or lunch or dinner.

We invite you to review the information contained herein and encourage you to contact us if you have any questions. We look forward to welcoming you as a member soon!

Doug Robb, General Manager
